ROCK SPRINGS HIGH SCHOOL

EIGHTEENTH VOLUME

# Foreword

We, the Senior Class of "66", present to you the eighteenth edition of the Rospian. As the years go by we hope that this book will help you to recall fond memories of "our year" and "our class." Let not the memories of 1966 be like old soldiers and simply fade away, but use this book to preserve them.

May you receive as much pleasure in reading this Rospian as we have had in creating it.

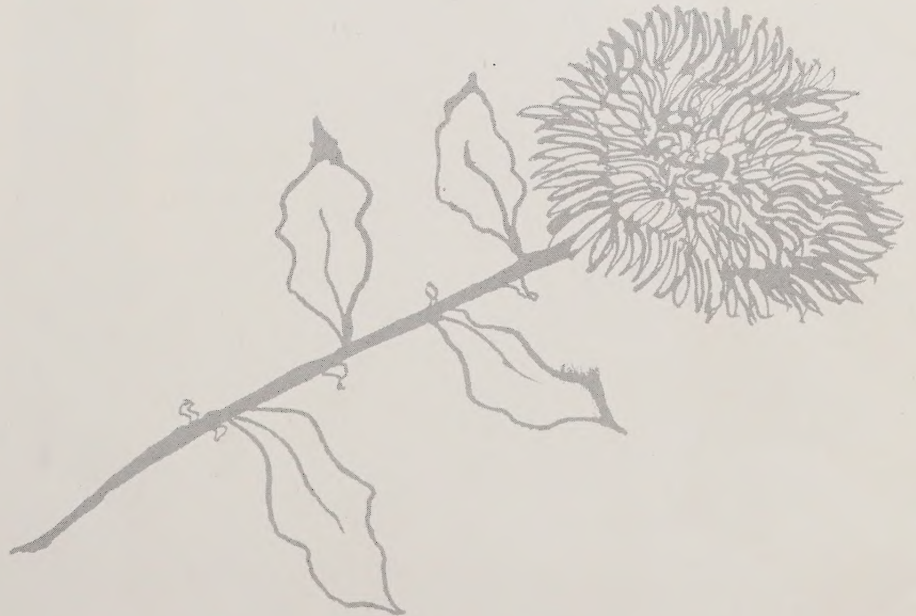

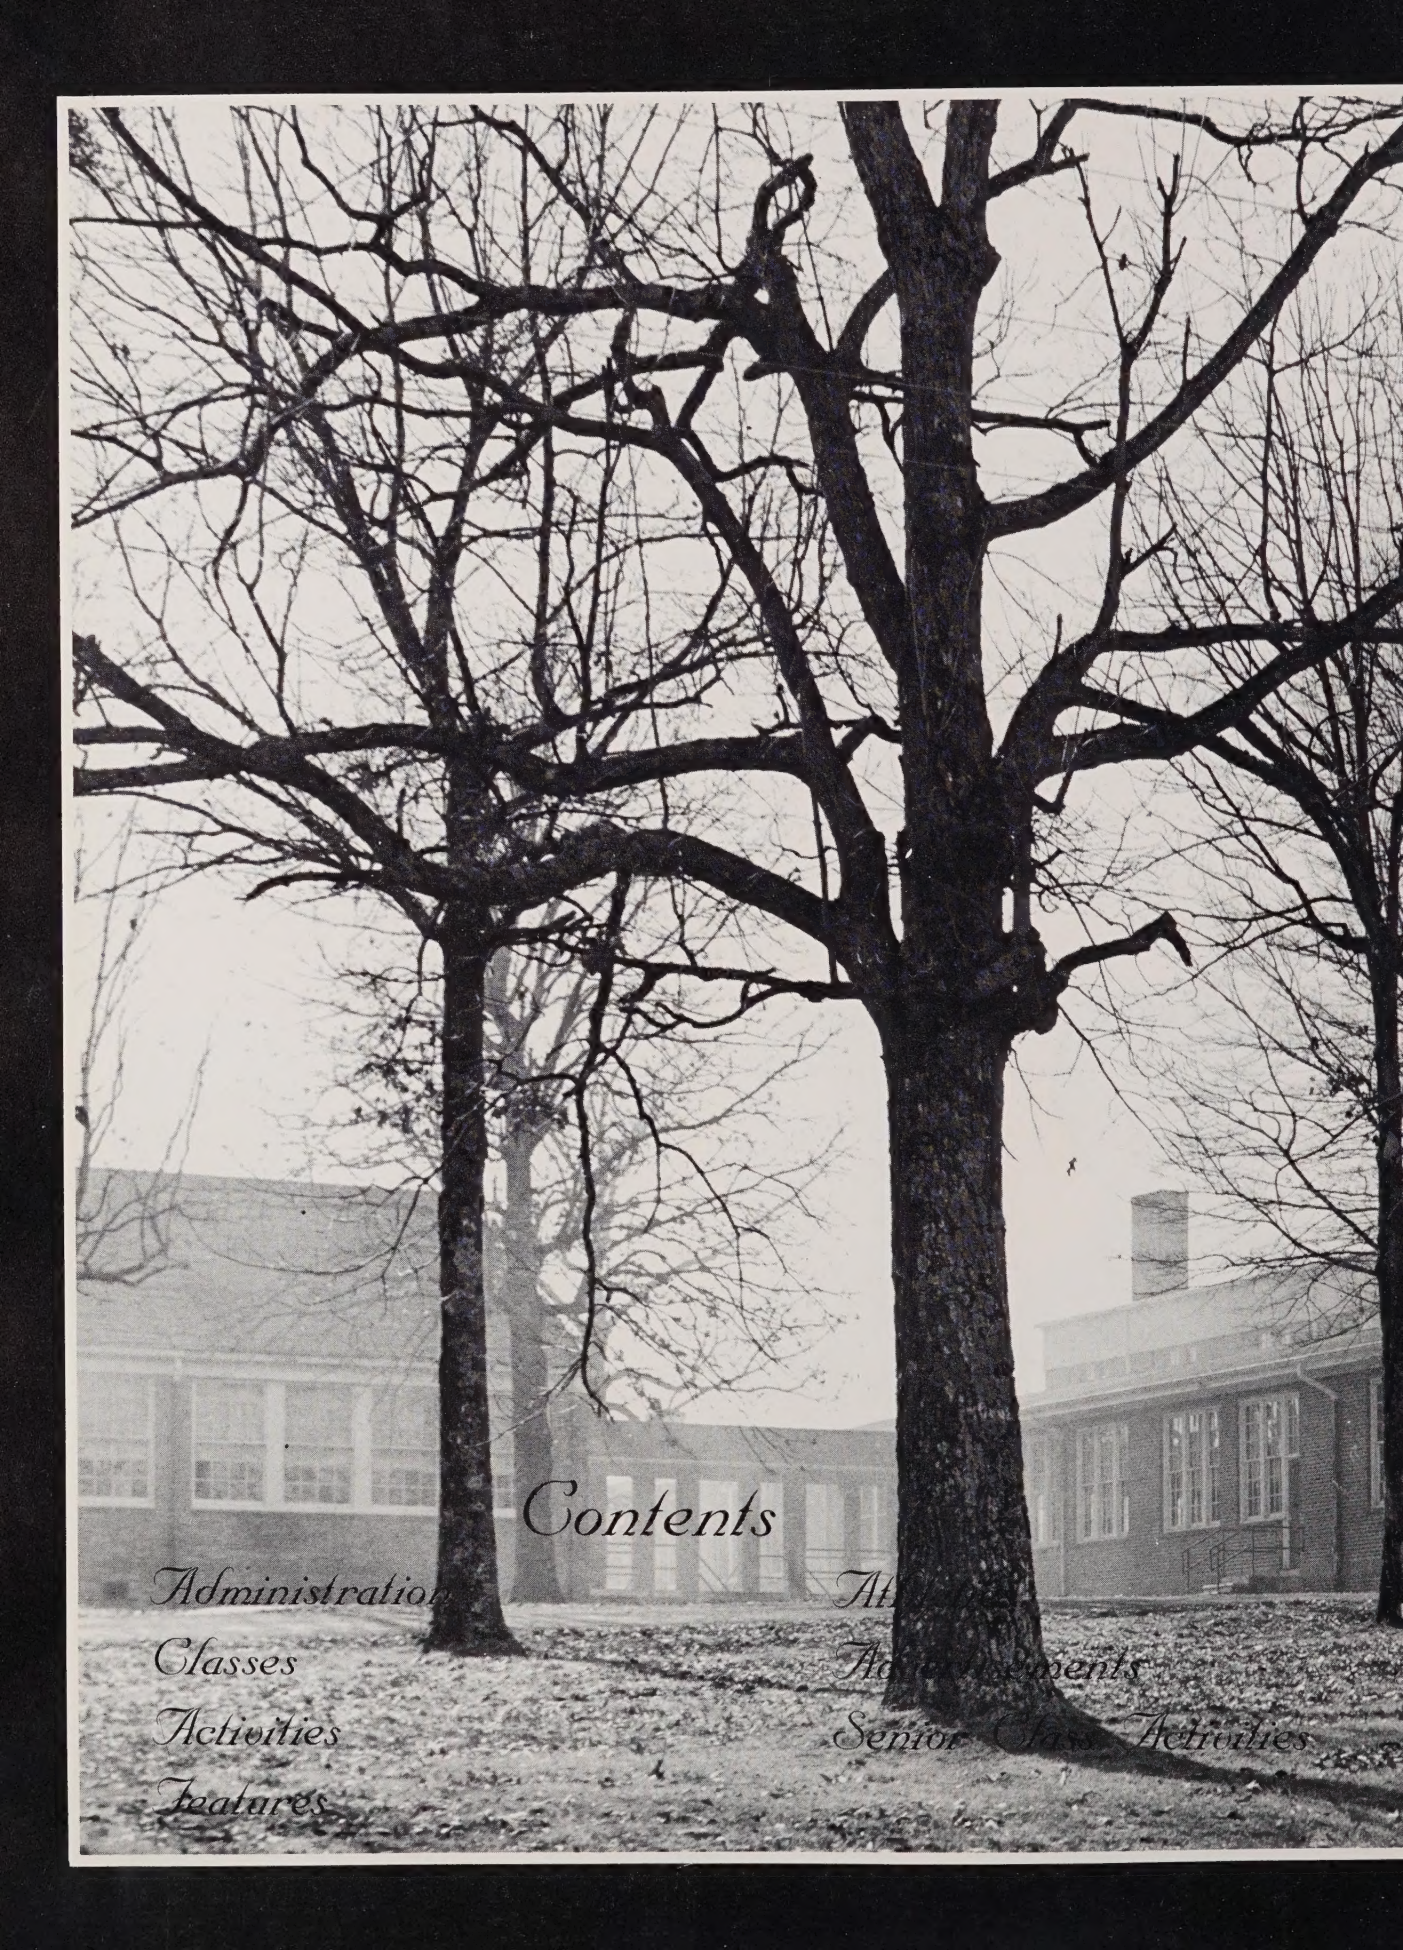

# *Dedication*

The Senior Class of 1966 wishes to dedicate this eighteenth edition of the Rosphian to the ones who we feel have contributed the most to our growth, education, and well being. We dedicate this annual to "Our Parents."

We want to express to our parents all the gratitude possible for without their support and guidance we could never have attained the goal which we are now rapidly approaching -- our high school graduation.

A black and white photograph of a school building with bare trees in the foreground. The trees are large and leafless, with intricate branch structures. The school building is a two-story brick structure with multiple windows and a chimney. The ground is covered in a layer of snow or frost.

### *School Song*

We've got the finest school in the land  
We'll see our goal and then we'll take a stand  
To put our Rock Springs on top, top, top;  
We'll do this and we'll never stop, stop, stop.

So fight, fight, fight, all the time;  
And soon the whole wide world will quickly find  
We'll stand for work, play, fun, pep, zip-boom-bah!  
Zip-boom-bah! Rah! Rah! Rah!

Colors: Black and Gold

# Senior Class History

Soon we, the class of '66, will be leaving Rock Springs High. Now as our time draws near, let us look back on these past twelve years and especially the last four.

Who could forget our first day of school when as frightened little children we came? Who could forget that first year when the little boys chased the little girls and when we played more than we studied?

As we entered the ninth grade, the little boys were still chasing the little girls, and often we played more than we studied. But we surely weren't frightened any more. No indeed! We freshmen made more noise and stirred up more commotion than all the other high school students put together. It was quite a year all right. We struggled through algebra and science and almost became frightened again in driver education. No wonder -- the way some drove!

As sophomores we calmed down some but not much. We cut up worms in biology and learned a new language in Spanish. During this year most of us became sixteen and started driving. This opened up many new areas of interest! The highlight of the year for many was the Junior-Senior Banquet when many sophomores served as waiters and waitresses.

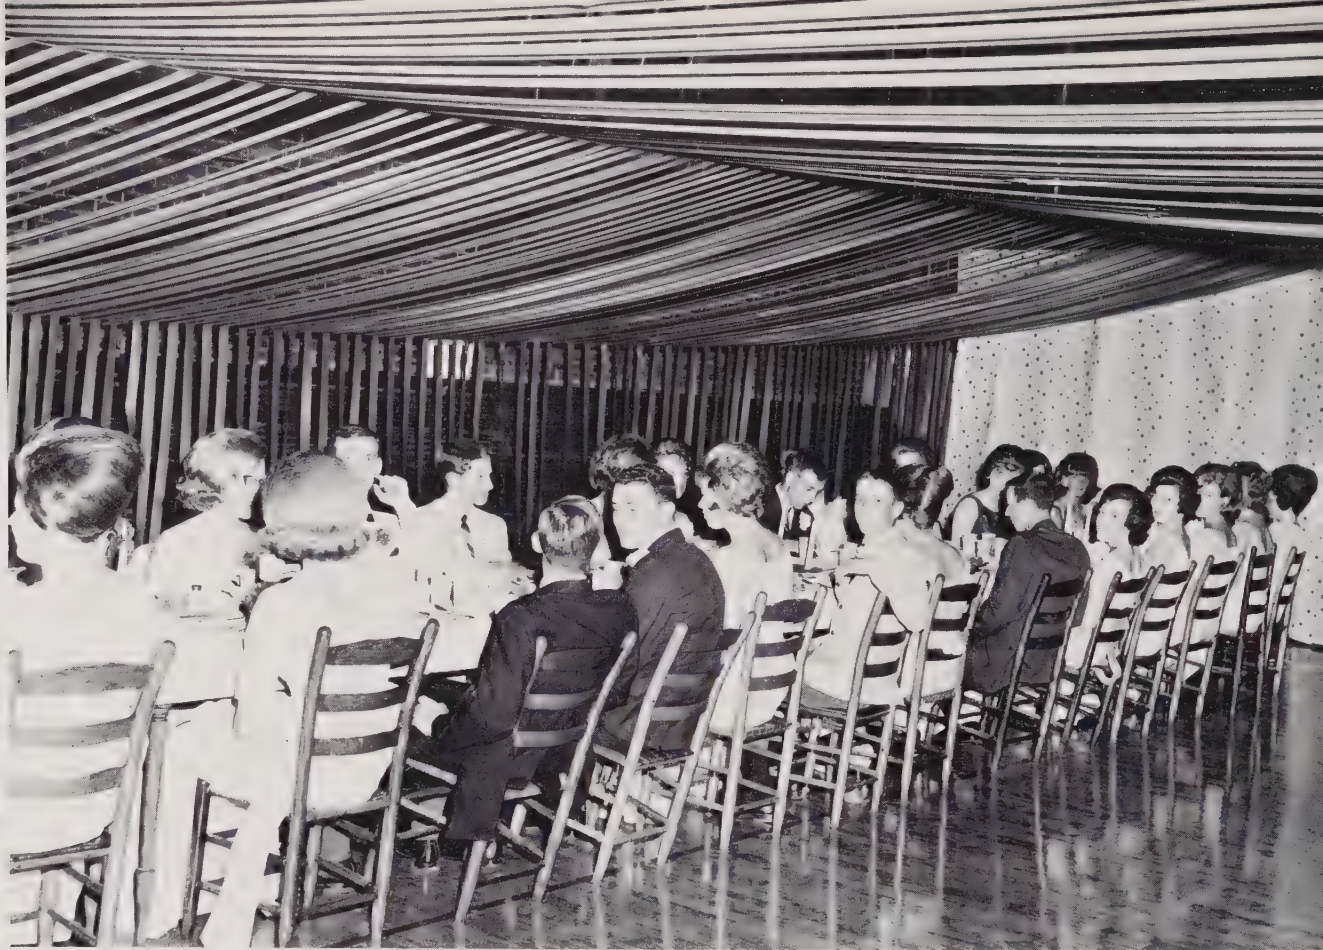

None of us will ever forget our junior year. Our football team started the year off with a "bang" by beating arch rivals, Bandys and West Lincoln. We then began work on the year's big event -- the Junior-Senior Banquet. We had to work hard, but it was certainly worth the effort. Everyone agreed that our "Roman Holiday" was the most beautiful banquet ever. The climactic event of the year was our New York and Washington trip. What a week that was! We saw the sights and had fun until we were about to drop. We especially enjoyed the once-in-a-life-time experience of seeing the World's Fair.

The summer passed quickly and soon our year had begun. The first big event was the arrival of class rings. This made everyone feel like true seniors. The work began early on our big project -- the Rospian. With Mrs. Sigmon's patient help work progressed steadily on the annual. We elected superlatives and school queens, and this made us quite proud of our fellow classmates. There are many other things about "our year" that we will never forget. We will never forget all the times Mrs. Sigmon led us in the school song; all the times we got headaches in geometry, bookkeeping, and English; all the times we cried and all the times we laughed; and all the times we were told to act like seniors.

It has been a great twelve years and a wonderful last four. When we leave these hallowed halls of R.S.H.S., we will carry with us the precious memories of our class. We will never forget them.

## SONG

(Tune: "Climb Every Mountain")

As we leave Rock Springs  
We leave behind  
Friends who are so faithful  
Teachers who are kind.

And as we travel  
Our separate ways  
We hope that each one  
Thinks of his high school days.

And as we walk down  
The road of life  
We will always be true  
To old Rock Springs High.

As we leave Rock Springs  
We leave behind  
All our friends and memories  
Here at Rock Springs High.
